OSBORN BOTANICAL LABORATORY  
NEW HAVEN, CONNECTICUT

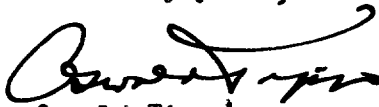

April 26, 1957

Professor Joshua Lederberg  
Genetics Department  
University of Wisconsin  
Madison 6, Wisconsin

Dear Dr. Lederberg:

We have just heard that you have been elected a member of the National Academy of Sciences. Please accept our heartiest congratulations. Naturally we are proud that someone who did his early work in this Department has received this recognition.

Cordially yours,

Oswald Tippo  
Chairman
